A little biographical information:

I've been an FI for this many years...

I've worked in these capacities in these departments....

I want to sit on the ACFO Board because, if elected, I would:

- try to effect this outcome....
- focus on addressing the issue of....
- Want to see more of / feel there is a need for....
- Bring this unique perspective or really represent the interests of this particular group of FIs

I am qualified / would be an asset as a Board member because:

- List personal qualities
- Training or other knowledge/experience/expertise you have
- Other relevant work / board / volunteer experience
